

Materials Needed for Geometry

- Paper (College rule and Graph paper)
- Pencils (Your pencil needs to be sharpened before class begins. A pencil is required for all quizzes and tests.)
- Scientific Calculator (The TI-30 is recommended; The TI-84 is optional)
- Compass, ruler, and protractor
- 1 inch binder / folder with dividers labeled as follows:
 - Notes
 - Homework
 - Worksheets
 - Projects
 - Miscellaneous
- Agenda Book
- Geometry Book (This will be provided by the teacher)
- Honors Geometry is required to purchase the 'Geometer's Sketchpad' software

Note: These materials will need to be brought to class on a daily basis. The materials will be checked and grades will be given spontaneously.
