Dragon Baseball Concludes Fall Instructional Sessions

Winter Baseball Camp Dates Announced

COLLIERVILLE – Collierville High School was excited to offer it's 1st Annual Future Dragons Baseball Instructional Sessions and 31 players reported to the open camp. The Collierville High School baseball coaching staff had the opportunity to work with 5th graders – 8th graders in the Collierville community. Sessions met this fall on Tuesdays and Thursdays and featured a structured practice similar to a high school or college workout.

The camp was a big success as all of the players made great strides in improving their game.

“The talent displayed at the Fall Instructional Sessions was most impressive,” said Jeff Curtis, assistant baseball coach at Collierville High School.

“After evaluating all of the players at the camp we feel quite confident about the future of Collierville High School Baseball,” he added.

The Fall Instructional Sessions will be an annual camp for boys in grades 5 through 8 that are in the Collierville School District. In December, Collierville High School will host Winter Specialty Camps. This year the Dragons will offer two camps on December 27 and 28 for ages 8 - 14.
